

# Animal or Not?

Not all animals have eyes, ears and noses like we do. Explore ocean organisms to discover which are animals and which are not.

## Instructions:

<b>Good Version</b>	Print the games pieces below and have guests sort pictures into "animal" and "not an animal" categories.
<b>Better Version</b>	Print the "animal" and "not an animal" cards below. Provide plush or plastic toy versions of various ocean animals and plants for guests to sort.
<b>Best Version</b>	Print the "animal" and "not an animal" cards below. Provide biofacts of ocean life (shells, coral skeletons, dried algae, etc.) for guests to sort.
